I am filing an “Official Protest” and have complied with the following instructions:

**PROTEST REQUIREMENTS - Matches may only be protested against a team (by “stopping” the match in question) ..... and only by a Captain/Acting Captain and .... only for Sportsmanship or Rules Disagreements/Violations, and only if all three items listed below have been complied with:**

We suspended (did not complete) match(s) [1] [2] [3] [4] [5] because of the problem.

We told the other team that we were filing an official protest over the suspended matches.

We have included the \$20 protest fee.

**Note: If a match is suspended, “both” teams must file and submit an “Official Protest” and \$20 fee to the League Office!!!**

**Below write a detailed description for the protest.**
